

Sunshine Coast mental health survey

USC HREC ETHICS APPROVAL NUMBER: A181180

Aim:

The aim of this project is to identify the values, attitudes and beliefs towards depression and suicide and its treatment on the Sunshine Coast.

Participant eligibility:

- 16 years old or above
- Sunshine Coast resident
- proficient in spoken and written English

What the project involves:

Focussing on depression, anxiety, and suicidality, this survey enquires about your values, attitudes, and beliefs towards mental illness, help seeking behaviours, and confidence in the resources available on the Sunshine Coast.

Participation in this online survey will take no more than 20 minutes to complete.

Participants who complete the survey can go in the draw to win one of three \$100 gift vouchers.

This survey will be repeated in 2020 to see how well the Alliance for Suicide Prevention – Sunshine Coast is responding to our community's need.

Key outcomes:

- Focussing on depression, anxiety, and suicidality, this survey enquires about your values, attitudes, and beliefs towards mental illness, help seeking behaviours, and confidence in the resources available on the Sunshine Coast.
- Participation in this online survey will take no more than 20 minutes to complete.
- Participants who complete the survey can go in the draw to win one of three \$100 gift vouchers.
- This survey will be repeated in 2020 to see how well the Alliance for Suicide Prevention – Sunshine Coast is responding to our community's need.
